12 Points of Abundance

1. Abundance is a holistic conversation.

2. Abundant Thinkers are willing to always be creative.

3. Abundant Thinkers are committed to more.

4. Abundant Thinkers are not just looking for the macro win.

5. Abundant Thinkers are committed to decreasing the bottom line.

6. Abundant Thinkers make plans based on knowledge, not longing.
Definition of Abundance

- Abundant thinkers think, do and process things differently.
- Your life cannot go anywhere your mind isn’t first.
  - If you want an abundant life, you’ve got to change your mind first
- No matter where you started out in life, you have a choice between scarcity and abundance.
- You have a CHOICE between simply managing the struggle or living a rich, rewarding life filled with unique experiences, exciting career options, nurturing relationships, and the comfort and ease that come with financial success.
- This life of abundance is something you get to define for yourself.
- Whether you use the word abundance...
  - or interchange it with prosperity, riches, or wealth as I do throughout this program...
  - the best definition of abundance I’ve seen by far is this one: PRIVILEGED CIRCUMSTANCES.
- When you’re living a life of PRIVILEGED CIRCUMSTANCES:
  - you get to play a bigger game
  - connect with people who are making things happen
  - encounter more opportunities for advancement
  - take pleasure in a lifestyle that would be admired by many
- It means you have the freedom to pursue those things you want to do, be, and have.
- Abundance is not a myth, nor is it mystical.
  - What lessons I learned about Abundance?
  - What practices I need to master?
  - What habits, behaviors, and beliefs did I have to develop in order to start living abundantly and prospering wildly?
When you hear the word abundance what does it mean to you?

Myths and Truths about Abundance

MYTH: Abundance is available to some people...
  • “special people”
  • those “people over there”
  • the “select few”

TRUTH: Abundance is available to every single one of us!

MYTH: Abundance is a singularly focus on wealth and finance.
  • Money
  • Prosperity
  • Material Possessions

TRUTH: Abundance is a 360 Degree Experience that has more to do with your:
  • Abundant Relationships
  • Abundant Health
  • Abundant Spirituality
  • Abundant Finances

Abundance is a Holistic Conversation, speaks to many areas of your life, is when you’re in overflow, and is overflowing all areas of your life.
MYTH: Abundance is outside of you. Something you have to go get.

TRUTH: Abundance is something you expand.

Notes:
Here is the MYTH I lived in around abundance.
